

White Salmon Schools are an incredible example to others. Our community, in partnership with our skilled and dedicated administrators, teachers and staff, is helping to make our schools a place where quality academics, athletics and art create a safe and stimulating environment for our children to learn and grow. Updated resources and quality professional development help our students excel now and after they graduate. Our community, through its generosity, has clearly shown that educational excellence is a top priority. We want to thank every one of you for your generosity and vision.

The 7th Annual Gorge Grape Escape

Columbia HS musicians greeted guests at our new location, the Skyline Event Room, while a stunning Gorge sunset streaked the sky. Over 180 guests enjoyed a lively evening of catered food, wine & live auction action. Guests enjoyed tasting fine Washington wines and beer while winning generous prizes from local businesses at the wine toss.

During the Special Appeal, Wally and Priscilla Stevenson stunned guests with a pledge of \$50,000 for our schools. Mr. Stevenson (age 96) stood up to address the crowd sharing their commitment and history with education in White Salmon. Doug and Leslie Campbell added another \$10,000 gift. All those present were truly inspired.

We raised over \$122,000 that night. Our success could not have been achieved without the participation, dedication & generosity of all those who joined us in support of our children & our schools. We look forward to seeing you in October 2014 for another rousing benefit for our schools. Please send any suggestions to info@wsvef.org. On behalf of the White Salmon Valley Education Foundation, school administrators, teachers, staff, and students,

Thank You! Susan Coulon, *Event Coordinator*; Sue Davis, *Board Chair*; Anne-Marie Slater, *Executive Director*
