Dear Matt:

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your federal and state exempt organization returns from information which you will furnish to us. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, cancelled checks and other data that form the basis of these returns. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the tax returns and, therefore, you should review them carefully before you sign them.

Our work in connection with the preparation of your tax returns does not include any procedures designed to discover defalcations and/or other irregularities, should any exist. We will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the tax returns.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expenses incurred.

Our fee for these services will be based upon the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable upon presentation.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our office. However, if there are other tax returns you expect us to prepare, please inform us by noting so at the end of the return copy of this letter.

We want to express our appreciation for this opportunity to work with you.

Very truly yours ~ Friend & Reagan, P.C.

Form 990 - Additional Information

One of the functions of the Foundation is funding a grant writer to apply for grants on behalf of the school district. This has been a successful endeavor that has generated significant funds for the district. While these amounts do not pass through the books of the Foundation, and as such are not included as a line item in the Form 990, we feel it is important to highlight the results of those grant writing expenditures. During 2014 funds in the amount of \$327,06 were received directly by our school as a direct result of the grant writing function of the Foundation.
